

Contract

Terms and conditions of educational Sponsoring by Wamu ne Cologne

Purpose

Education is one of the most precious goods in the world! We are deeply convinced that with a good education everyone has a better chance for a satisfied and lucky life. Together with you we want to make your education a success story.

We, *Wamu ne Cologne* (formerly known as and working with 'Firefly Uganda'), are financially supporting the education of young students on the Ssesse Islands, Uganda. The Sponsoring can only bear fruit if we work together as a team: the students must show high efforts and motivation, and we, the parents and *Wamu ne Cologne*, have to be in close contact to understand each other's needs and desires.

This contract shall clarify the terms and conditions of our cooperation to guarantee your successful education. It shall help you to understand how we will support you and what is your part of the agreement.

List of our and your Commitment

The following list explains which costs will be paid by our **organization** and which costs will be paid by the **parents/legal guardian**.

	This is OUR part	This is YOUR part
School-fees	will entirely be covered by the organization under the condition of good performance or high effort.*	-
School Material	will be entirely covered by the organization. The shopping will be done according to the requirements of the school and will be handled by our representative.	-
Transport	will be covered between Mwena and the school once in the beginning and ending of each term .	Further transport lays in the responsibility of the parents.

School trips	50% will be covered by the organization.	50 % have to be covered by the parents/legal guardian.
Medical Treatment for Diseases	<p>will be covered by the organization under the following conditions:</p> <p>A. In case of any disease the school nurse has to be contacted.</p> <p>B. A written document has to approve that the school can't effort the medical treatment.</p> <p>Fulfilling those steps the school will be contacting our representative who will be taking care of the following steps. (public hospital etc.)</p>	Minor diseases will be taken care of by the school or if wanted by the parents/legal guardian.
Pocket-money	<p>will be distributed to the students each term.</p> <p>A. P1-P7 40.000 UGX / Secondary School 70.000 UGX</p> <p>B. Half of the pocket money will be directly given to the school canteen with daily withdraw limits depending on the availability of the schools.</p>	The students should pay emergency money (10.000 UGX) to the dormitory mother for preserving. This should be used for small emergencies like visiting sick relatives etc.
Terminal -reports	will be checked each term	The results of each term have to be signed by the parents/legal guardian and sent digitally to the organization. This is very important.

Important to understand!

- It is crucial for your education that you are willing to continue going to school. **You have to pay attention on your education!**
- * We will be tracking your development. Therefore, we are checking the terminal reports each term. , If it appears to us, that you are not using your full potential , you will get a notification (warning). If we still see no improvement, **we will see ourselves forced to quit the sponsoring.**

- We do understand that there may be circumstances or experiences that prevent you from going to school or interfere with you doing your best. We understand that not everything can always go smoothly. In any case: **Please contact us!**

Contacts and communication

Coordination and communication will be handled by our representative Cosmos. Any requests of financial support or disabilities should be sent to him.

Cosmos is in regular contact with the organization in Germany and part of the decision making process.
